Why: I joined CREW in order to Network and stay connected with my community. Relationships are key for me and CREW allows me to build my network of professionals.

Fun Fact: I love adventure... One of my favorite vacations was walking the Camino Santiago in Spain. I backpacked over 100 miles 6 days. What an adventure.

Favorite Quote: "Here's to the crazy ones, the misfits, the rebels, the troublemakers, the round pegs in the square holes... the ones who see things differently -- they're not fond of rules... You can quote them, disagree with them, glorify or vilify them, but the only thing you can't do is ignore them because they change things... they push the human race forward, and while some may see them as the crazy ones, we see genius, because the ones who are crazy enough to think that they can change the world, are the ones who do."
