Bank of America

Work: 208-949-1775

## BIO

I was born and raised in the Boise area graduating from Kuna High School. I followed that up with an Accounting degree from Boise State then went back to school to get a Masters in Sport Administration from Northern Colorado. After that I spent 6 years working in college football, ultimately landing in Billings, Montana. I mercifully retired from coaching football in 2012, and in 2013 embarked on a career in banking with a community bank in Billings. I still work in the financial services industry, as a commercial banker with Bank of America. I help people navigate the complexities of the banking industry. I like to help my clients achieve their goals and I don't lie.

I'm active in the community, volunteering with a number of organizations primarily focused on education and children. In addition to CREW Idaho, I work with the West Ada Foundation, Boise State Alumni Board and Boise Metro Rotary. I reside in Meridian with my wife of 16 years, Harmony, and our daughter Adelaide (8) and son August (2).

Most of my free time is spent with my family, but in my other free time I like to read, watch documentaries, workout, snowbike, study history, camp, go to concerts, and get outdoors as much as possible.
